

## Declaration of REACH compliance

This document shall serve as a formal declaration that products supplied to Keflico A/S are in compliance with:

The EU REACH Regulation No. 1907/2006  
With respect to the Substances/Chemicals classified as:  
Substances of Very High Concern (SVHC)

### Supplier compliance

By signing this document, we confirm our compliance with the EU REACH regulation and certify that we are aware of our obligations to keep our company regularly updated with new substances that may be added to the candidate list.

We further acknowledge that we are responsible for informing Keflico A/S as soon as possible about the presence of any such substances listed on the candidate list in existing articles or any new articles.

- NO, none of the articles supplied to Keflico A/S contain the substances listed in the latest version of the candidate list.*
- YES, one (or several) of the articles supplied to Keflico A/S contain one (or several) of the substances listed in the latest version of the candidate list.  
Please also complete REACH – Section B.*
